  (For Strategic Priorities Applications only)
• Click on the link that was provided to you on the SIG application or SIG website

• You will be taken to the Start Page
Welcome to Mile High United Way Online Application Starting Page

For over 132 years, Mile High United Way has been proud to be the steward of our community’s collective generosity, and to bring voice to the most critical issues facing our community.

Over the past decade, the greater Denver community has grown and changed dramatically. With those changes have come the responsibility to respond in ways that a decade ago, we could not have imagined. Working with our community partners we have learned from the insights you have shared.

To that end, you will see an evolution in our Strategic Investment Grant (SIG) process. We are placing a greater emphasis on under-resourced communities and a greater emphasis on supporting our youngest Coloradans and their parents.

As our communities change around us, we are grateful for your willingness to engage in partnership with us, and to lead the way in creating hope for the future for every family.

Select the Mile High United Way Strategic Investment Grant you wish to apply for from the list below:

- Select One
- Collaborating For Impact Application
- Strategic Priorities Application
- Emergency and Basic Needs Application

- Click on the down arrow to expand the SIG categories
- Select the application to which you will be submitting a proposal
- Click on the “submit” button
- You will be taken to the log-in page
CREATE BLACKBAUD ID/LOG-IN

- If you already have a Blackbaud ID*, sign in and proceed to slide 8

- **Do not** sign in with a Google account

- If you do not have a Blackbaud ID, click to create one. Proceed to the next slide

---

* You may already have a Blackbaud ID if you use other Blackbaud products (such as RaisersEdge) or you have used a Blackbaud ID to apply for a grant from another funder

Do not sign in with a Google account

Save your login info

Once you login, you will be taken to the application page
• The graphic above shows the Strategic Priorities application. The Emergency and Basic Needs and Collaborating for Impact applications look the same, except for the “Edit Outcomes” sections.

• You can click on the tabs to move through the application sections. These sections match the word version of the application.
• For Strategic Priorities Application only
• Follow the instructions and click on “Edit Outcomes” to be taken to the next tab
• For the project start and end dates, enter the grant start and end dates: July 1, 2020 – June 30, 2021
EDIT OUTCOMES

• For Strategic Priorities Application only
• Follow the instructions and click on “Edit Outcomes” to be taken to the next tab
• For the project start and end dates, enter the grant start and end dates: July 1, 2020 – June 30, 2021
EDIT OUTCOMES

- For Strategic Priorities Application only
- Proceed to enter outcomes measurements
- A list of the measurements can be found on the word version of the Strategic Priorities Application
Check your work and don’t forget to hit SUBMIT!
