

DENVER ENTERPRISE ZONE

YOUR GIFT TRANSFORMS COMMUNITIES

Mile High United Way’s United Neighborhood strategy leverages the DEZ tax credit to increase educational and economic opportunities in under-resourced neighborhoods so all children and families can thrive.

The Mile High United Way Bridging the Gap program connects young people who have exited the child welfare system with housing and a pathway toward a more stable future.

You may choose to support any of these programs with your DEZ tax credit.
