#### **Independent Auditor's Report**

**Board of Trustees Mile High United Way, Inc. and Subsidiary** 

#### Report on the Audit of the Consolidated Financial Statements

#### **Opinion**

We have audited the accompanying consolidated financial statements of Mile High United Way, Inc. and Subsidiary (United Way), which comprise the consolidated statement of financial position as of June 30, 2023, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of United Way as of June 30, 2023, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America (GAAP).

#### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of United Way and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Way's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and supplementary consolidating schedules are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the Schedule of Expenditures of Federal Awards and supplementary consolidating schedules are fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

#### Board of Trustees Mile High United Way, Inc. and Subsidiary

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 20, 2023 on our consideration of United Way's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of United Way's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering United Way's internal control over financial reporting and compliance.

#### **Prior Period Consolidated Financial Statements**

Kundinger, Corder & Montaga, P.C.

The consolidated financial statements of United Way as of June 30, 2022 were audited by predecessor auditors. Their report dated October 21, 2022, expressed an unmodified opinion on those consolidated financial statements. In our opinion, the comparative information presented herein as of and for the year ended June 30, 2022, is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

#### Mile High United Way, Inc. and Subsidiary

Notes to Consolidated Financial Statements June 30, 2023 and 2022

#### (1) Summary of Significant Accounting Policies

#### (a) Organization

Founded in 1887, Mile High United Way, Inc. (MHUW) is the first United Way in the world. A nonprofit organization, its mission is to unite people, ideas, and resources to advance the common good. MHUW fights for the education, health, and financial stability of every person in metro Denver. MHUW's work is focused around four community impact goals: giving all children a strong start, reading matters, developing tomorrow's talent, and creating economic opportunity for all. MHUW works in partnership with hundreds of local nonprofit partners, government agencies, policymakers, businesses, and individuals to collectively solve complex social issues affecting the seven-county metro Denver community composed of Adams, Arapahoe, Boulder, Broomfield, Denver, Douglas, and Jefferson counties. For the year ended June 30, 2023, together with its impact investment partners, MHUW positively impacted more than 265,000 people to create sustainable community change.

MHUW is a dues-paying member of United Way Worldwide. MHUW is governed by a board of trustees (the "Board") of approximately fifty community and business leaders.

Mile High United Way Penn Street, LLC (Penn Street) was formed during the year ended June 30, 2022, as a subsidiary of MHUW to own and operate an apartment complex as part of MHUW's Bridging the Gap program.

#### Community Impact Goals

#### Giving All Children a Strong Start and Reading Matters

United Way helps ensure that children are entering school ready to learn and are on the right path to read at or above their grade level. In metro Denver, there are licensed childcare spots for only 30% of children under age 6 who have working parents and two-in-three Colorado third graders are below grade level for language and literacy. Quality early childhood education not only improves young children's health, but it also promotes their development and learning.

For the year ended June 30, 2023, United Way, with its impact partners, served nearly 6,700 young children through high-quality early childhood programs and provided over 3,800 parents and caregivers with information, resources, and other tools to help them ensure their child's development. United Way's early childhood work provides parents and caregivers the skills needed to help children build essential preliteracy skills, so they enter kindergarten prepared to learn and to ensure that elementary school children are reading proficiently by the end of third grade. United Way and community-led programs that supported more than 1,700 high quality childcare spots.

#### Developing Tomorrow's Talent

United Way is committed to building educational success through partnerships with schools, families, and communities. Programs focus on attendance because, while a variety of factors - such as quality instruction, a positive school culture, and meaningful summer activities - contribute to a student's academic success, before those factors can have any impact, a student needs to simply be at school. Regular attendance is an essential first step for academic achievement. Research is clear that the more students consistently attend school and engage in their learning, the more they academically progress.

#### (1) Summary of Significant Accounting Policies, Continued

#### (a) Organization, Continued

Creating Economic Opportunity for All

United Way is committed to creating economic opportunity for all so that individuals and families can meet their basic needs and have the opportunities to move toward economic success. The increasing cost of living in metro Denver is forcing families to make hard decisions such as whether to pay for food or rent. For the year ended June 30, 2023, United Way, with its partners, served over 183,000 individuals and their families by providing basic needs, such as housing and meals, and childcare. Funding supported over 31,000 overnight stays at local shelters and the distribution of nearly 270,000 pounds of food. United Way's 2-1-1 Help Center received over 120,000 contacts from people around Colorado seeking resources for housing, income support, food assistance, childcare referrals, and utility assistance, among other needs.

#### **Description of Program Services**

**Community Impact Division** 

United Way's Community Impact Division (CID) leads its community investment and impact strategy. CID staff work to identify needs and gaps in the community; collect and aggregate data to make informed funding decisions; develop and evaluate best practice strategies; advocate to policymakers on behalf of the community; and convene community members, agencies, and state and local government entities to address issues and develop solutions for complex social problems in metro Denver.

As part of this work, United Way funds a portfolio of partner organizations implementing strategies directly aligned with its community impact goals. United Way also operates programs to support the nonprofit sector in serving metro Denver communities by strengthening their ability to collect and evaluate data to make decisions that improve the effectiveness of their programs.

2-1-1 Help Center

United Way's 2-1-1 Help Center (2-1-1) is a free and confidential community referral service that connects people with resources that provide food, health, shelter, rent assistance, clothing, childcare options, legal assistance, and other services to meet basic needs. 2-1-1's referral specialists are multilingual and available to direct individuals to available community resources. For the year ended June 30, 2023, 2-1-1 received over 120,000 contacts from individuals around Colorado. Covering twenty-five counties in partnership with United Way of Larimer County and United Way of Weld County, 2-1-1 serves the metro Denver area, as well as Northern Colorado: approximately 71% of the state's population.

Bridging the Gap

United Way's Bridging the Gap is a transformative program that helps improve the lives of young adults who were formerly in the child welfare system by addressing their needs related to housing, education, employment, financial literacy, health, and leadership development. For the year ended June 30, 2023, the program provided safe and stable housing and support to 140 participants and their families. Independent life coaches also provided life skills support and workforce development assistance.

#### (1) Summary of Significant Accounting Policies, Continued

#### (a) Organization, Continued

#### United Neighborhoods

United for Schools invests in low-income children and families to foster academic growth and economic opportunities. For the year ended June 30, 2023, United for Schools invested in out-of-school-time programs that provided enrichment activities, basic needs support, and tutoring programs for 673 students. United for Business helps locally owned businesses realize their growth potential through consultation and professional services from skills-based volunteers in their industry. For the year ended June 30, 2023, United for Business supported over 320 small businesses in receiving new capital totaling over \$4.2 million through a partnership with the City and County of Denver. United for Families combines community-based efforts and collaborative partnerships to advance outcomes for young children (aged 0-5) and their families and caregivers. United for Families realizes that increasing access to quality early childhood education improves kindergarten readiness.

#### Fiscal Sponsor

Fiscal sponsor programs are those for which United Way maintains legal and fiduciary responsibility for groups that conduct activities related to United Way's mission. During the year ended June 30, 2023, United Way continued a number of COVID-19-related funding programs to provide emergency relief to nonprofits, community-based organizations, and small businesses.

#### (b) Principles of Consolidation

The consolidated financial statements include the accounts of MHUW and Penn Street (collectively, United Way). All material intercompany accounts and transactions have been eliminated in consolidation.

#### (c) Basis of Accounting

The accompanying consolidated financial statements of United Way have been prepared on the accrual basis of accounting, and accordingly, reflect all significant receivables, payables, and other liabilities.

#### (d) Financial Statement Presentation

United Way is required to present information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions — Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of United Way. These net assets may be used at the discretion of United Way's management and the board of trustees.

Net assets with donor restrictions – Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of United Way or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

#### (1) Summary of Significant Accounting Policies, Continued

#### (e) Cash and Cash Equivalents and Restricted Cash

For purposes of the consolidated statements of cash flows, United Way considers all highly liquid investments with an initial maturity of three months or less, and which are not held by investment managers as part of an investment portfolio, to be cash equivalents.

Restricted cash totaling \$3,442,366 and \$2,939,996 at June 30, 2023 and 2022, respectively, mainly consists of amounts held for specific purposes based on donor advised funds, refundable advances, and fiscal sponsorships.

#### (f) Concentrations

Financial instruments which potentially subject United Way to concentrations of credit risk consist principally of cash, receivables, and investments. United Way places its cash with creditworthy, high-quality financial institutions. At times, a portion of these cash balances may not be insured by the Federal Deposit Insurance Corporation or related entity.

United Way has significant investments and is, therefore, subject to concentrations of credit risk. Investments are made and monitored by the management of United Way pursuant to an investment policy adopted by the board of trustees. Though the market value of investments is subject to fluctuations on a year-to-year basis, management believes that the investment policy is prudent for the long-term welfare of United Way.

Credit risk with respect to receivables is limited due to the number of and credit worthiness of the entities that comprise the customer and donor bases.

#### (g) Investments

Investments are recorded at cost, if purchased, or at fair value, if donated. Thereafter, investments are reported at their fair values in the consolidated statements of financial position. Fair value is determined as more fully described below.

Management is responsible for the fair value measurement of investments reported in the consolidated financial statements and believes that the reported values are reasonable. Investment return consists of United Way's distributive share of any interest, dividends, and capital gains and losses generated from sales of investments. Gains or losses attributable to investments are realized and reported upon a sale or disposition of the investment. Unrealized gains and losses are included in the change in net assets in the consolidated statements of activities.

#### (h) Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset in the principal or most advantageous market for the asset in an orderly transaction between market participants on the measurement date. Fair value should be based on the assumptions market participants would use when pricing an asset. Generally accepted accounting principles (GAAP) establish a fair value hierarchy that prioritizes investments based on those assumptions. The fair value hierarchy gives the highest priority to quoted prices in active markets (observable inputs) and the lowest priority to an entity's assumptions (unobservable inputs).

#### (1) Summary of Significant Accounting Policies, Continued

#### (h) Fair Value Measurements, Continued

Assets are grouped in three levels based on the markets in which the assets are traded, and the reliability of the assumptions used to determine fair value. These levels are:

- Level 1 Unadjusted quoted market prices for identical assets or liabilities in active markets as of the measurement date.
- Level 2 Inputs other than quoted market prices that are observable for the asset/liability, either directly or indirectly.
- Level 3 Unobservable inputs that cannot be corroborated by observable market data.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, an investment's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. These classifications (Level 1, 2, and 3) are intended to reflect the observability of inputs used in the valuation of investments and are not necessarily an indication of risk or liquidity.

In addition, certain investments are reported using the "practical expedient" method. The practical expedient method allows net asset value per share or its equivalent to represent fair value for reporting purposes when the criteria for using this method are met. Investments valued using net asset value per share or its equivalent are not categorized within the hierarchy.

Investments in cash and money market funds, mutual funds, and exchange traded funds with readily determinable fair values are reported at fair value based on quoted prices in active markets. Investments in equity securities fluctuate in value in response to many factors such as the activities and financial condition of individual companies, business and industry market conditions, and the general economic environment. Alternative investments are not publicly traded on national security market exchanges, are generally illiquid, and may be valued differently should readily available markets exist for such investments. The market value for alternative investments represents the pro-rata interest in the net assets of the investment and is based on financial information determined and reported by the investment manager. Based on inherent uncertainties of valuation of alternative investments, the reported market value of the investment may differ significantly from realizable value.

#### (i) Capital Assets

Capital assets are recorded at cost, if purchased or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets, which range from three to thirty years. United Way's policy is to capitalize all expenditures for property and equipment in excess of \$5,000 with an estimated useful life greater than one year, and to expense normal repairs and maintenance as incurred. When assets are sold, retired, or otherwise disposed of, the applicable costs are removed from the accounts and any resulting gain or loss is recognized.

#### (j) Custodial Accounts

United Way administers national fundraising campaigns for local employers that have employees located outside of United Way's local region. Pledges collected from these national campaigns are held by United Way for the accounts of other agencies and are disbursed as directed by the donors. United Way allows these donors to designate their contributions to any agency in the United States qualified to receive charitable contributions.

#### (1) Summary of Significant Accounting Policies, Continued

#### (j) Custodial Accounts, Continued

Pledged contributions for the years ended June 30, 2023 and 2022 that relate to national accounts outside of United Ways' region are not reflected on the accompanying consolidated statements of activities. The revenue is reflected in the consolidated financial statements of United Way organizations serving those regions. Pledges collected and payable to other agencies at June 30 are recorded as accrued designations (a liability) in the accompanying statements of financial position. Any portion of the pledged contributions that is not collected is not distributed to the designated agency.

#### (k) Revenue Recognition

#### Contributions and Grants

Contributions and grants revenue consists of revenue from the annual campaign, foundations, Founder's Legacy Society, and government. Contributions and grants are recognized when cash, securities, or other assets, and unconditional promises to give are received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met. Should United Way substantially meet the conditions in the same period that the contribution was received, and barring any further donor-imposed restrictions, United Way has elected to recognize the revenue in net assets without donor restrictions. Payments received in advance of conditions being met are recorded as a refundable advance in the consolidated statements of financial position. At June 30, 2023, there were no conditional contributions from foundations or individuals.

Government grants are treated as contributions that are conditioned upon certain performance requirements and the incurrence of allowable qualifying expenses. Consequently, at June 30, 2023, conditional contributions related to these grants, totaling \$6,320,512, have not been recognized in the accompanying consolidated financial statements. At June 30, 2023 and 2022, advance payments received under government grants totaled \$460,235 and \$496,502, respectively, and have been recognized as refundable advances in the statements of financial position.

Contributions and grants received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence or nature of any donor-imposed restrictions. Contributions and grants, including pledges, which are restricted by the donor are reported as an increase in net assets with donor restrictions, depending on the nature of the restrictions. When a donor restriction expires, (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from donor restrictions.

Contributions and grants receivable are recorded at net realizable value if expected to be collected in one year and at fair value if expected to be collected in more than one year. United Way uses the allowance method to determine uncollectable amounts. In determining the collectability of receivables, management considers past collection experience and performs an analysis of subsequent collections. Uncollectable amounts are written off against the allowance for doubtful accounts in the period they are determined to be uncollectable.

#### (1) Summary of Significant Accounting Policies, Continued

#### (k) Revenue Recognition, Continued

#### Annual Campaign Revenue and Designated Pledges

United Way conducts annual fundraising campaigns in cooperation with many local employers. United Way staff and volunteers present to groups of employees the various community needs supported by United Way. The pledges and cash donations raised in the campaign during the year are recognized as revenue in the year that the pledge is received. All support is considered available without donor restrictions unless specifically restricted by the donor.

United Way allows donors to designate their contributions to any agency qualified to receive charitable contributions. United Way reflects the activity for donor-designated contributions in gross campaign results and deducts them from revenue on the consolidated statements of activities. Designations are paid when the pledge is collected.

#### **In-Kind Support**

In-kind support is recorded as contributions and corresponding expenses in the accompanying statements at their estimated values at the date of donation. Contributed services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by United Way. Many volunteers have donated time in connection with United Way's programs and general operations. However, the value of this contributed time is not reflected in the accompanying consolidated financial statements as it does not meet the criteria of recognition under accounting principles. See also note 9.

#### Fundraising Events Revenue

Special events revenue consists of ticket sales and sponsorships for various special events. Ticket sales and sponsorships may be received in advance of the event taking place and are recorded as refundable advances. These amounts are recorded as revenue the day the event takes place.

#### (I) Functional Allocation of Expenses

The costs of providing program and supporting services have been summarized on a functional basis in the accompanying consolidated statements of functional expenses. United Way incurs expenses that directly relate to, and can be assigned to, a specific program or supporting activity. United Way also conducts a number of activities which benefit both program objectives as well as supporting services (i.e., funds development and management and general activities). These costs, which are not specifically attributable to a specific program or supporting activity, are allocated by management on a consistent basis among program and supporting services benefited, based on either financial or nonfinancial data, such as estimates of time and effort incurred by personnel, square footage, and the number of full-time employees.

#### (m) Estimates

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

#### (1) Summary of Significant Accounting Policies, Continued

#### (n) Income Taxes

As a subsidiary, Penn Street files a consolidated federal tax return with its direct controlling parent entity, MHUW. United Way is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and qualifies for the charitable contribution deduction. Income from activities not directly related to United Way's tax-exempt purpose is subject to taxation as unrelated business income. There was no unrelated business income subject to tax in 2023 or 2022.

Management is required to evaluate tax positions taken by United Way, and to recognize a tax liability if United Way has taken an uncertain position that probably would not be sustained upon examination by taxing authorities. United Way believes it has appropriate support for any positions taken and that none would require recognition of a liability or disclosure in the consolidated financial statements. United Way is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress. The three previous tax years remain subject to examination by the IRS.

#### (o) Subsequent Events

Management has evaluated subsequent events through October 20, 2023, the date the consolidated financial statements were available to be issued.

#### (p) Reclassifications

Certain prior year amounts have been reclassified to conform to current year presentation. These reclassifications had no effect on previously reported net assets or the change in net assets.

#### (2) Liquidity and Availability of Financial Assets

The following represents United Way's consolidated financial assets as of June 30:

	<u>2023</u>	<u>2022</u>
Cash and cash equivalents	\$ 2,466,893	4,312,890
Short-term investments Current portion of pledges receivable, net	10,277,968 2,432,298	12,176,666 2,776,632
Grants receivable Accounts receivable	1,664,066 <u>97,656</u>	1,691,727 48,948
Total financial assets	16,938,881	21,006,863
Less accrued designations included in pledges receivable	(1,007,012)	<u>(1,359,661</u> )
Consolidated financial assets available to meet general expenditures within one year	\$ <u>15,931,869</u>	<u>19,647,202</u>

United Way considers net assets with donor restrictions expected to be met within one year to be available for general expenditure. United Way has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. In addition, United Way invests cash in excess of daily requirements in various short-term investments. United Way maintains a funded stabilization reserve at a level determined after taking the annual program funding and costs of operating and maintaining the organization into account.

#### (2) Liquidity and Availability of Financial Assets, Continued

United Way's board of trustees has designated a portion of net assets without donor restrictions for specific purposes (see note 8). Although United Way does not intend to spend from the board-designated funds, the funds could be made available for current operations, with board approval, if needed. To manage liquidity, United Way has a \$2,000,000 line of credit agreement with a bank that is available to be drawn upon as needed to manage cash flows (see note 7).

#### (3) Investments

Investments consist of the following at June 30:

	<u>2023</u>	<u>2022</u>
Short-term investments Board-designated Legacy Fund investments (note 8)	\$ 10,277,968 16,541,418	12,176,666 14,648,614
Total investments	\$ <u>26,819,386</u>	<u>26,825,280</u>
Investments are comprised of the following at June 30:		
	<u>2023</u>	<u>2022</u>
Money market funds Certificates of deposit Equity mutual funds Bond mutual funds Exchange-traded funds Alternative investments	\$ 127,885 103,179 12,532,939 9,208,626 4,497,356 349,401	155,635 103,179 16,239,641 6,329,010 3,997,815
Total investments	\$ 26,819,386	26,825,280

The following table summarizes the valuation of investments by the fair value hierarchy levels as of June 30, 2023:

<u>Description</u>	Fair Value	(Level 1)	(Level 2)	(Level 3)
Money market funds	\$ 127,885	127,885	_	_

Certificates of deposit	103,179	<u> </u>	103,179	
Total investments	\$ 26,825,280	26,722,101	103,179	_

#### (3) Investments, Continued

(a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient, which is a reasonable estimate of fair value, have not been classified in the fair value hierarchy. The fair value amounts presented in the above table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the consolidated statements of financial position.

All Level 1 investments have been valued using a market approach. Level 2 assets have been valued using models or other valuation methodologies, or quoted market prices for similar assets in markets that are not active. All other investments are valued at net asset value per share (or its equivalent) as permitted under the practical expedient rule. There were no changes in valuation techniques during the current year.

The following table summarizes the significant information related to investments valued at net asset value per share (or its equivalent) as of June 30, 2023:

	Net Asset	Unfunded	Redemption	Redemption
	<u>Value</u>	Commitments	<u>Frequency</u>	Notice Period
<b>Business Development</b>				
Corporation	\$ 349,401	281,250	None	N/A

Business Development Corporation has the primary objective of generating favorable risk-adjusted returns, including current income and capital appreciation, from directly originated investments in middle market companies primarily located and/or operating in the United States. Investments are held primarily in direct lending loans and to a lesser extent, common stock, preferred stock, and warrants.

#### (4) Pledges Receivable

Annual fundraising campaigns commence each fall, with pledges being collected over the following calendar year. The majority of fundraising campaign pledges received by United Way are paid via payroll deductions and corporate match payments. These individual pledges are deducted from individuals' paychecks each pay period by their employers and remitted to United Way throughout the year. Pledges receivable consist of the following at June 30:

	<u>2023</u>	<u>2022</u>
Less than one year	\$ 2,812,025	3,278,482
One to five years	1,392,368	<u>1,963,963</u>
	4,204,393	5,242,445
Less allowance for uncollectable pledges	_(438,284)	<u>(588,163</u> )
Pledges receivable, net	\$ <u>3,766,109</u>	<u>4,654,282</u>

Grants receivable totaling \$1,664,066 and \$1,691,727 at June 30, 2023 and 2022, respectively, consist of amounts due from foundations and government agencies. All amounts are collectable in less than one year. Additionally, at June 30, 2023 and 2022, management believes all grants receivable are collectable and, therefore, no allowance has been recognized.

#### (5) Investment in UWDH and Note Receivable from UWW

In February 2017, MHUW purchased a 3 percent membership interest in United Way Digital Holdings, LLC (UWDH) for \$400,000. UWDH is a for-profit limited liability company formed for the purpose of designing, developing, and operating a digital philanthropic employee engagement platform across the United Way network. MHUW paid \$80,000 and financed the remaining \$320,000 with a promissory note. MHUW does not have the ability to exert significant influence over UWDH's operating and financing activities and, therefore, accounted for the investment under the cost method of accounting.

On December 31, 2018, United Way Worldwide (UWW) entered into an exchange agreement with United Way to repurchase its 3 percent membership interest in UWDH. As of December 31, 2018, United Way had paid \$160,000 to UWDH and had an outstanding promissory note of \$240,000. The promissory note was assumed by UWW, and UWW issued a promissory note to United Way for the remaining \$160,000. The UWW promissory note accrues interest at 2.72 percent. Interest is accrued monthly, and principal shall be paid in four equal installments of \$40,000 beginning December 1, 2020, with the remaining outstanding principal and any accrued and unpaid interest due in full on December 1, 2023. As of June 30, 2023 and 2022, \$40,000 and \$80,000 are due from UWW, respectively.

#### (6) Capital Assets

Property and equipment consist of the following at June 30:

	<u>2023</u>	<u>2022</u>
Buildings Land	\$ 22,075,676 2,534,934	22,075,676 2,534,934
Furniture and fixtures	1,748,048	1,575,872
Computer equipment and software Construction in progress	892,279 _1,118,126	657,155 7,333
Less accumulated depreciation	28,369,003 (6,300,502)	26,850,970 (5,397,521)
Property and equipment, net	\$ <u>22,068,561</u>	21,453,449

#### (7) Line of Credit

Under a line of credit agreement with a bank, United Way has available borrowings of \$2,000,000. The line of credit accrues interest at the AMERIBOR Term-30 rate plus 2.75 percent (7.9 percent at June 30, 2023), with a floor of 3.75 percent, and expires in February 2024. There were no amounts outstanding as of June 30, 2023 or 2022.

#### (8) Net Assets

#### Net Assets without Donor Restrictions

Net assets without donor restrictions are as follows at June 30:

	<u>2023</u>	<u>2022</u>
Board-designated Legacy Fund	\$ 16,541,418	14,648,614
Capital assets	22,068,561	21,453,449
Donor-advised funds	2,226,712	1,196,297
Undesignated net assets	11,235,591	14,048,061
Total net assets without donor restrictions	\$ <u>52,072,282</u>	<u>51,346,421</u>

#### (8) Net Assets, Continued

The board has designated certain investments as a reserve account to fund future operations, referred to as the "Legacy Fund". The Legacy Fund is invested in a manner that is intended to produce results that exceed indexed returns while assuming a moderate level of investment risk with a long-term outlook.

#### Net Assets with Donor Restrictions

Net assets with donor restrictions are available for the following purposes at June 30:

	<u>2023</u>	<u>2022</u>
Subject to expenditure for a specified purpose:		
Multi-year pledges	\$ 1,636,258	2,251,916
Capital campaign for operations	24,385	24,385
COVID-19 relief funds	_	306
Giving All Children a Strong Start/Reading Matters	192,110	206,922
Developing Tomorrow's Talent	229,402	310,561
Creating Economic Opportunity for All	1,575,913	2,622,104
Uniting Neighborhoods	2,185,438	2,369,608
Total net assets with donor restrictions	\$ <u>5,843,506</u>	<u>7,785,802</u>

During the years ended June 30, 2023 and 2022, net assets totaling \$9,362,933 and \$7,611,748, respectively, were released from restrictions due to expenditures incurred for specific programs.

#### (9) In-kind Support

United Way received the following in-kind support during the years ended June 30:

	<u>2023</u>	<u>2022</u>
Professional services	\$ 429,132	497,913
Marketing and advertising services	205,126	123,205
Sports tickets	<u>-</u>	7,920
Food and prizes	68,386	5,833
Total in-kind support	\$ <u>702,644</u>	<u>634,871</u>

All in-kind support was utilized as part of United Way's program activities. There were no donor-imposed restrictions associated with the in-kind support. United Way does not sell in-kind support and only uses the support for its own programs. The value of in-kind support is estimated on the basis of estimates of values that would be received for selling similar services or products in the United States.

#### (10) Distributions to Community Agencies

United Way evaluates community needs, gaps in services, and trends in the community on a regular basis. This data and agency performance are evaluated annually to determine awards for Community Impact Division grants. In addition, United Way awards grants to other nonprofit organizations through community collaboratives and United Way-led programs. These distributions are recognized as an expense in the year distributed.

#### (10) Distributions to Community Agencies, Continued

United Way made the following distributions during the years ended June 30:

	<u>2023</u>	<u>2022</u>
Donor designated contributions	\$ 5,861,397	6,888,979
COVID-19 relief funds	· <u>-</u>	65,273
CHFA/Energize Colorado gap funds	_	3,048,728
Community Impact Division grants	2,666,250	3,527,400
Other initiatives	8,135,496	3,624,622
Total distributions	\$ <u>16,663,143</u>	17,155,002

#### (11) Defined Contribution Plan

United Way has a defined contribution plan (the "Plan") available to all eligible employees on the first day of the month following 60 days of employment. United Way makes a nonelective safe harbor contribution to participant accounts of 3 percent of eligible participant compensation. Additionally, United Way may make matching contributions to the Plan equal to 50 percent of participant elective contributions to the Plan up to 6 percent of participant contributions, not to exceed 3 percent total participant compensation for the plan year. United Way contributed \$500,101 and \$425,617 to the Plan during the years ended June 30, 2023 and 2022, respectively.

#### **Note 1: Basis of Presentation**

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal grant activity of Mile High United Way, Inc. and Subsidiary (United Way) under programs of the federal government for the year ended June 30, 2023. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of United Way, it is not intended to and does not present the financial position, changes in net assets, or cash flows of United Way.

#### **Note 2: Summary of Significant Accounting Policies**

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

#### **Note 3: Indirect Cost Rate**

United Way has elected to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance.

#### **Note 4: Subrecipients**

United Way did not pass through federal awards to subrecipients during the year ended June 30, 2023.

# Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

# **Board of Trustees Mile High United Way, Inc. and Subsidiary**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Mile High United Way, Inc. and Subsidiary (United Way), which comprise the consolidated statement of financial position as of June 30, 2023, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated October 20, 2023.

#### **Report on Internal Control over Financial Reporting**

In planning and performing our audit of the consolidated financial statements, we considered United Way's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of United Way's internal control. Accordingly, we do not express an opinion on the effectiveness of United Way's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies, and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

#### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether United Way's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

# **Board of Trustees Mile High United Way, Inc. and Subsidiary**

Kundinger, Corder & Montaga, P.C.

**Purpose of this Report** 

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

October 20, 2023

# <u>Independent Auditor's Report on Compliance for Each Major Program and on Internal Control</u> over Compliance Required by the Uniform Guidance

**Board of Trustees Mile High United Way, Inc. and Subsidiary** 

#### Report on Compliance for Each Major Federal Program

#### **Opinion on Each Major Federal Program**

We have audited Mile High United Way, Inc. and Subsidiary's (United Way) compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of United Way's major federal programs for the year ended June 30, 2023. United Way's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, United Way complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

#### **Basis for Opinion on Each Major Federal Program**

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of United Way and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of United Way's compliance with the compliance requirements referred to above.

#### **Responsibilities of Management for Compliance**

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to United Way's federal programs.

#### **Auditor's Responsibilities for the Audit of Compliance**

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on United Way's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about United Way's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, Government Auditing Standards, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding United Way's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of United Way's internal control over compliance relevant to the audit in
  order to design audit procedures that are appropriate in the circumstances and to test and report on
  internal control over compliance in accordance with the Uniform Guidance, but not for the purpose
  of expressing an opinion on the effectiveness of United Way's internal control over compliance.
  Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

#### **Report on Internal Control over Compliance**

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

# **Board of Trustees Mile High United Way, Inc. and Subsidiary**

Kundenger, Corder & Montaga, P.C.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

October 20, 2023

#### Mile High United Way, Inc. and Subsidiary Schedule of Findings and Questioned Costs Year Ended June 30, 2023

#### A. Summary of Auditor's Results

- 1. The auditor's report expresses an unmodified opinion on whether the consolidated financial statements of Mile High United Way, Inc. and Subsidiary (United Way) were prepared in accordance with GAAP.
- 2. No significant deficiencies relating to the audit of the consolidated financial statements are reported in the *Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards*.
- 3. No instances of noncompliance material to the consolidated financial statements of United Way, which would be required to be reported in accordance with *Government Auditing Standards*, were disclosed during the audit.
- 4. No significant deficiencies in internal control over major federal award programs are reported in the *Independent Auditor's Report on Compliance for Each Major Program and on Internal Control over Compliance Required by the Uniform Guidance*.
- 5. The auditor's report on compliance for the major federal award programs expresses an unmodified opinion on all major federal programs.
- 6. The audit disclosed no audit findings relating to major programs that are required to be reported in accordance with 2 CFR section 200.516(a).
- 7. The program tested as a major program was Coronavirus State and Local Fiscal Recovery Funds (Assistance Listing No. 21.027).
- 8. The threshold for distinguishing between Type A and B programs was \$750,000.
- 9. United Way was determined not to be a low-risk auditee.

#### B. Findings – Financial Statements Audit

None.

#### C. Findings and Questioned Costs – Major Federal Award Programs Audit

None.
