## What We're Doing

- We're grateful for community partners and donors like you who help us expand access to Tax Help Colorado across Colorado. Thank you!
- This year, Tax Help Colorado staff and volunteers helped more than 9,700 Colorado families receive the tax refunds and credits they're owed. Families use the refunds to help pay for medical expenses, education, transportation and more.

**For many families, the tax refund is the biggest check they'll receive in a year.**

- IRS-certified volunteers compassionately and patiently support families through each step of the tax filing process. We are grateful for the hundreds of community members who volunteer their time to help families in our community.

**We cannot do this without you! Visit our Tax Help Colorado website at [taxhelpco.org](https://taxhelpco.org) to learn more about our work.**
