What We're Doing

We cannot do this work alone! We're grateful for community partners like you who help us expand access to quality early learning and care for children and families.

We support children during the critical years of development, so they begin kindergarten ready to succeed.

"We are all better off because of HIPPO. It has provided resources we may not have received otherwise. HIPPO is not just a program – it is a family."

– Maria, HIPPO parent

HIPPO PROGRAM

During the 2023-24 school year, our Home Instruction for Parents of Preschool Youngsters supported 69 families. Thanks to your generous support, our staff conducted more than 2,000 home visits to provide parents and caregivers with educational tools and resources to support their child's growth.

THE TAMARA M. SPARKS EARLY LEARNING CENTER

In May 2024, we opened the Tamara M. Sparks Early Learning Center at Mile High United Way! This best-in-class early childhood center is creating last impact for children and their families.

In partnership with Mile High Early Learning, we're proud to offer high-quality early learning for families in Denver's Five Points Neighborhood and beyond.

We are grateful to the many community partners who invested in this transformative project. Thank you for your investment in our community's children and future.
