WOMEN UNITED LUNCHEON

FRIDAY, MAY 2, 2025 | HYATT REGENCY DENVER

THE POWER OF WOMEN

For over 25 years, Mile High United Way has brought our community together to celebrate the power of women and girls at our Women United Luncheon. The theme for this year's luncheon: Unapologetic. We believe our community is strongest when women and girls unapologetically share their light, courage, and power with the world.

All proceeds from this event support Mile High United Way's Women United Initiative, providing women access to critical resources such as stable housing, new job opportunities, high-quality child care, and more so they can pursue their dreams.

Women United sponsors are directly investing in advancing and empowering women and girls in our community. Not only is your sponsorship strengthening the ties among women across our community now, but by sponsoring you are committing to their future success as well.
