2026 SPONSORSHIP GUIDE

27th Annual WOMEN UNITED LUNCHEON

FRIDAY, APRIL 17, 2026 | HYATT REGENCY DENVER

THE POWER OF WOMEN

For over 27 years, Mile High United Way has brought our community together to celebrate the power of women and girls at our Women United Luncheon. The theme for this year's luncheon: Timeless. We believe that together we can create lasting, generational change for the women, girls and families who call Metro Denver home.

All event proceeds support Mile High United Way's Women United Initiative, which helps women access to critical resources such as stable housing, new job opportunities and high-quality child care so they can pursue their dreams.

Women United sponsors are directly investing in advancing and empowering women and girls in our community. You are strengthening the ties among women across our community both today and for years to come.
